BMHA Letters dated 09/02/03 and 09/16/03

9-16-03

Mrs. Barty has been in the office just about every day for the last two weeks. She has a problem with her money order - it was shorted when purchased.

Mrs. Barty does not understand the problem or how to correct it. She states she can not pay the difference owed - "\$37⁰⁰" as one gave the money to the store -

Mrs. Barty - babbles about many things while in the office - it is very difficult to get her to go without offending her -

I am requesting FSS see her to help with the money order issue, and see if services are available to her - Her apartment has been an issue for some time and she responds the same each time I ask if she cleared it - "I've been sick lately - but when I'm better I will take care of it".
