1 stipulation.

2 THE COURT: Okay. Given that, it will be
3 so found.

4 MR. FERRANDINO: Thank you, your Honor.

5 THE COURT: Okay. Let's see.

6 MR. MURRAY: We have another appearance,
7 your Honor.

8 THE COURT: We do. Paulette Ross?

9 MS. ROSS: Yes, your Honor, on behalf of
10 Dr. Chau and Dr. Lawler.

11 THE COURT: Yes.

12 MS. ROSS: I would like to bring something
13 just to the attention of the Court. Our expert,
14 Dr. Collins, is the medical director at Linwood
15 Elderwood, and I believe Dr. Collins indicated that
16 he spoke with you on at least one occasion. I do
17 not believe there should be a problem with this or
18 a conflict.

19 THE COURT: Okay. My father's actually in
20 that particular facility, and I spoke to Dr.
21 Collins in passing. I probably wouldn't recognize
22 him -- I shouldn't say that -- but, I don't want
23 him taking that out on my father, the fact that I
24 don't remember what he looks like.

25 MS. ROSS: I just wanted to bring it to

1 the Court's attention.

2 THE COURT: If there's any objection
3 anybody can note that for the record or file, and
4 I'll take a look at it and see if there's anything
5 that I need to do in that regard.

6 MR. MURRAY: You had mentioned that as far
7 as you know, there was nothing else before the
8 Court that would not be addressed by your two
9 rulings subject to the two orders, and I agree with
10 that, your Honor. To my knowledge nothing else is
11 before you as the district judge in this case
12 presently.

13 THE COURT: Okay. Mr. McCarthy, you're
14 here for ECMC, Dr. Rados?

15 MR. McCARTHY: Just Dr. Rados.

16 THE COURT: And is Ruth Wannop here?

17 MR. McCARTHY: Your Honor, we took a
18 deposition last week, and she advised me that I
19 think she either forgot about this or didn't know
20 about it. She is on vacation as I understand it,
21 your Honor, so --

22 THE COURT: All right. Miss Ross, do you
23 know something more?

24 MS. ROSS: No, your Honor. I was just
25 going to repeat what was stated by Mr. McCarthy.
